□ Reading List

See a list of important books I have read and what I am reading right now.

Books are a really important part of my life. Unfortunately, I didn't take a serious interest in reading until I turned twenty years old. Below is a list of some of my favorite book titles. You can also see what I am currently reading and what I plan to start in the future.

CEO Library reading list interview. In March of 2018 I did an interview with the CEO library about some of my favorite books. [Click here](#) □ to read my interview.
